## **GOLD COINS OF THE WORLD**

Dear Clients: Welcome to our Spring 2014 world gold price list! It contains a wide assortment of new purchases from the recent coin shows we attended: New York International, FUN in Orlando, Long Beach and the Atlanta ANA! Plus quite a few new auction purchases as well as private treaty purchases from here and abroad. We hope you find something of interest for your collection! Please don't hesitate to contact us via email or telephone if you have any questions or want to discuss anything from our new list! Photos of most items can be found on our website. Aren't you glad Winter is almost over and we are heading into Spring!

### LAY-A-WAY PLAN

We offer collectors the standard 60 day lay-a-way plan--this requires approx. 1/3 down at the time of invoice--with another 1/3 due in 30 days from invoice date and the final 1/3 in 60 days from invoice date. All lay-a-way invoices must be paid in full within 60 days of invoice date! At that time, your order will be shipped via registered mail. No interest or handling charges! We offer this service as a courtesy to serious collectors who want to add specimens to their collection but need a bit of time to pay for them! We are not a bank! If you cannot adhere to these terms or do not think you can pay it off within 60 days--do not ask for the lay-a-way plan as all lay-a-way invoices not paid in full within the 60 day time period will be forfeited. We do not want to be in that position so if you start a lay-a-way invoice, we expect you to complete it as this service is offered strictly as a courtesy to our clients!

### WANTED TO BUY

We are always in the market to purchase high quality and rare gold coins of the world as well as scarce United States gold! When it comes time to dispose of your collection please contact our firm, as we need "fresh" inventory for our ads, price lists and client wantlists and we are paying competitive market prices for the material we need! Please contact us for additional information concerning our purchase of coin estates, etc. It's not the happiest of thoughts, but we all have to plan for the future! We welcome the chance to purchase your gold coin holdings whenever that time comes--now or at some future date!

### LAY-A-WAY PLAN

We offer collectors the standard 60 day lay-a-way plan--this requires approx. 1/3 down at the time of invoice--with another 1/3 due in 30 days from invoice date and the final 1/3 in 60 days from invoice date. All lay-a-way invoices must be paid in full within 60 days of invoice date! At that time, your order will be shipped via registered mail. No interest or handling charges! We offer this service as a courtesy to serious collectors who want to add specimens to their collection but need a bit of time to pay for them! We are not a bank! If you cannot adhere to these terms or do not think you can pay it off within 60 days--do not ask for the lay-a-way plan as all lay-a-way invoices not paid in full within the 60 day time period will be forfeited. We do not want to be in that position so if you start a lay-a-way invoice, we expect you to complete it as this service is offered strictly as a courtesy to our clients.

### LAY-A-WAY PLAN

We offer collectors the standard 60 day lay-a-way plan--this requires approx. 1/3 down at the time of invoice--with another 1/3 due in 30 days from invoice date and the final 1/3 in 60 days from invoice date. All lay-a-way invoices must be paid in full within 60 days of invoice date! At that time, your order will be shipped via registered mail. No interest or handling charges! We offer this service as a courtesy to serious collectors who want to add specimens to their collection but need a bit of time to pay for them! We are not a bank! If you cannot adhere to these terms or do not think you can pay it off within 60 days--do not ask for the lay-a-way plan as all lay-a-way invoices not paid in full within the 60 day time period will be forfeited. We do not want to be in that position so if you start a lay-a-way invoice, we expect you to complete it as this service is offered strictly as a courtesy to our clients!

### WANTED TO BUY

We are always in the market to purchase high quality and rare gold coins of the world as well as scarce United States gold! When it comes time to dispose of your collection please contact our firm, as we need "fresh" inventory for our ads, price lists and client wantlists and we are paying competitive market prices for the material we need! Please contact us for additional information concerning our purchase of coin estates, etc. It's not the happiest of thoughts, but we all have to plan for the future! We welcome the chance to purchase your gold coin holdings whenever that time comes--now or at some future date!

### LAY-A-WAY PLAN

We offer collectors the standard 60 day lay-a-way plan--this requires approx. 1/3 down at the time of invoice--with another 1/3 due in 30 days from invoice date and the final 1/3 in 60 days from invoice date. All lay-a-way invoices must be paid in full within 60 days of invoice date! At that time, your order will be shipped via registered mail. No interest or handling charges! We offer this service as a courtesy to serious collectors who want to add specimens to their collection but need a bit of time to pay for them! We are not a bank! If you cannot adhere to these terms or do not think you can pay it off within 60 days--do not ask for the lay-a-way plan as all lay-a-way invoices not paid in full within the 60 day time period will be forfeited. We do not want to be in that position so if you start a lay-a-way invoice, we expect you to complete it as this service is offered strictly as a courtesy to our clients!

### WANTED TO BUY

We are always in the market to purchase high quality and rare gold coins of the world as well as scarce United States gold! When it comes time to dispose of your collection please contact our firm, as we need "fresh" inventory for our ads, price lists and client wantlists and we are paying competitive market prices for the material we need! Please contact us for additional information concerning our purchase of coin estates, etc. It's not the happiest of thoughts, but we all have to plan for the future! We welcome the chance to purchase your gold coin holdings whenever that time comes--now or at some future date!
